

PRESENT SIMPLE IN PRESENT CONTINUOUS

Znaš izbrati in uporabiti prav čas za sedanjost?

PRESENT SIMPLE		PRESENT CONTINUOUS
<p>How do you usually spend your weekends?</p> <p>- Well, on Saturday mornings I just stay in bed a little bit longer. I stay in my pyjamas all morning, have breakfast and then hang out with my sister.</p> <p>She already has a job and sometimes works at the weekends. When she is free, she likes to read a book and she often prepares lunch for everybody at home.</p> <p>I don't like to cook but I do a lot of sports and outdoor activities. My parents and I rarely watch TV all day, in the afternoons we take long walks and talk about our plans for the week ahead.</p>	<p>Kako se uporablja ta čas v angleščini?</p>	<p>Is it raining? No, it isn't.</p> <p>What are you doing?- Just waiting for the movie to start.</p> <p>We are leaving. Hurry up.- OK. I'm looking for my phone.</p> <p>It is such a beautiful day in the city centre. The sun is shining, the birds are singing, there is no traffic, people are walking on the streets, drinking coffee and having a chat with friends.</p>
<p>Razmisli- kateri primeri opisujejo dogajanje v trenutku govorjenja (dogaja se sedaj)?</p> <p>Katere povedi pa govorijo o tem, kar oseba počne vsak dan, vsak teden, večkrat (navade)?</p>		
<p><i>opišeš, predstaviš (svoje) navade, rutino, stvari, ki se ne spreminjajo</i></p>	<p>Kdaj uporabiš ta čas?</p>	<p><i>opišeš dogajanje v trenutku govorjenja- zdaj, ta trenutek</i></p>
<p>always, often, usually, sometimes, rarely, hardly ever, never</p> <p>once/ twice/ three times a day/ a week/ a month/ a year/ a decade</p>	<p>Katere so ključne besede v povedih?</p> <p>(prislovi časa)</p>	<p>now, right now, at the moment</p>

every once in a while, not very often, every day, every other day, on a daily basis, every summer

Ti prislovi pogostosti odgovorijo na vprašanje- How often do you...?

I (We, You, They) like spring.
have time.
speak English.
go hiking.
work a lot.

He (She, It) likes winter.
has some time.
speaks German.
goes swimming.
plays the guitar.

KONČNICA –S

Glagolom pri tretji osebi ednine (he, she, it ali npr. my mum, my sister, Anna, the teacher, our dog, ...) torej dodamo končnico -s ali -es.

Pri tem pa nastane nekaj izjem. Poglej primere:

brez izjem
she sings, swims, writes and plays

glagol + -es

he watches, catches
brushes, finishes
misses, kisses
mixes and fixes

Kako tvoriš trdilno obliko?

IZJEME PRI ZAPISU- V ANGLEŠČINI BREZ NJIH NE GRE 😊

Kje moram biti pozoren?

I AM
(am not)

He/
She/
It IS
(isn't) + glagol-ing
(playing)

We/
You/
They ARE
(aren't)

KONČNICA -ING

Pomembno je, da uporabiš pomožni glagol (am-is-are) in nato še glagol s končnico -ing.

Ko glagolom dodajamo končnico -ing, včasih pride do sprememb v zapisu. Na primer:

glagol -ing (brez izjem)
I'm working, playing, talking, cooking, going, doing

glagoli na -e (-e odpade)

She's having lunch, making tea, coming here

krajši glagoli (kratek samoglasnik+soglasnik na koncu) zadnjo črko podvojijo-se ojačajo

<p>it goes and does</p> <p>she has</p> <p>glagol na samoglasnik in y (cry, fly, try, study, tidy,...)</p> <p>My friend cries, flies, -studies and tidies.</p>		<p>I'm cutting/ digging/ stopping/ swimming/ hitting/ travelling</p> <p>glagoli na -ie (lie, die)</p> <p>The flowers are dying/ she's lying.</p>
<p>I (We, You, They) DON'T like, play, study the piano.</p> <p>He (She, It) DOESN'T like, have, study English.</p> <p><i>Na kratko: DONT in DOESNT pomagata zanikati glagol, ta pa ostane v prvi, osnovni obliki brez vseh končnic.</i></p>	<p>Kako zanikaš?</p>	<p><i>Tukaj gre precej lažje-</i></p> <p><i>v stavek dodaš le besedico NOT in jo okrajšaš (glej tabelo s trdilno obliko),</i></p> <p><i>drugih sprememb pa ni :-)</i></p>
<p>Do (I/we/you/they) like cinnamon? -Yes, I do./ No, I don't.</p> <p>Does he (she, it) like rain? -Yes, he does./ No, she doesn't.</p>	<p>Kako postaviš vprašanje in na kratko odgovoriš?</p> <p>kratki odgovori imajo rep, samo 'yes' ali 'no' ni dovolj</p>	<p>Am I being late? - Yes, I am./ No, I'm not.</p> <p>Is she listening? - Yes, she is./ No, she isn't.</p> <p>Are they working? - Yes, they are./ No, they aren't.</p>
